

Simitless Data License - Commercial Use

Simitless is not a law firm and does not provide legal services or legal advice. Distribution of Simitless data licenses does not create a lawyer-client or other relationship. Simitless makes its licenses and related information available on an “as-is” basis. Simitless gives no warranties regarding its licenses, any material licensed under their terms and conditions, or any related information. Simitless disclaims all liability for damages resulting from their use to the fullest extent possible.

Note: Using Simitless Licenses

Simitless licenses provide a standard set of terms and conditions that creators and other rights holders may use to share original works of authorship and other material subject to copyright and certain other rights specified in the license below. The following considerations are for informational purposes only, are not exhaustive, and do not form part of our licenses.

Considerations for licensors: *Our licenses are intended for use by those authorized to give the permission to use material in ways otherwise restricted by copyright and certain other rights. Our licenses are irrevocable. Licensors should read and understand the terms and conditions of the license they choose before applying it. Licensors should also secure all rights necessary before applying our licenses so that the public can reuse the material as expected. Licensors should clearly mark any material not subject to the license. This includes other licensed material, or material used under an exception or limitation to copyright.*

Considerations for the public: *By using one of our licenses, a licensor grants the permission to use the licensed material under specified terms and conditions. If the licensor’s permission is not necessary for any reason – for example, because of any applicable exception or limitation to copyright – then that use is not regulated by the license. Our licenses grant only permissions under copyright and certain other rights that a licensor has authority to grant. Use of the licensed material may still be restricted for other reasons, including because others have copyright or other rights in the material. A licensor may make special requests, such as asking that all changes be marked or described. Although not required by our licenses, you are encouraged to respect those requests where reasonable.*

By exercising the Licensed Rights (defined below), You accept and agree to be bound by the terms and conditions of this Simitless Data License (Commercial Use) ("License"). To the extent this License may be interpreted as a contract, You are granted the Licensed Rights in consideration of Your acceptance of these terms and conditions, and the Licensor grants You such rights in consideration of benefits the Licensor receives from making the Licensed Material available under these terms and conditions.

Section 1 – Definitions.

- A. **Adapted Material** means material subject to Copyright and Similar Rights that is derived from or based upon the Licensed Material and in which the Licensed Material is translated, altered, arranged, transformed, or otherwise modified in a manner requiring permission under the Copyright and Similar Rights held by the Licensor. For purposes of this License, where the Licensed Material is a musical work, performance, or sound recording, Adapted Material is always produced where the Licensed Material is synched in timed relation with a moving image.
- B. **Adapter's License** means the license You apply to Your Copyright and Similar Rights in Your contributions to Adapted Material in accordance with the terms and conditions of this License.
- C. **Copyright and Similar Rights** means copyright and/or similar rights closely related to copyright including, without limitation, performance, broadcast, sound recording, and Sui Generis Database Rights, without regard to how the rights are labeled or categorized. For purposes of this License, the rights specified in Sections 2Ca and 2Cb are not Copyright and Similar Rights.
- D. **Effective Technological Measures** means those measures that, in the absence of proper authority, may not be circumvented under laws fulfilling obligations under Article 11 of the WIPO Copyright Treaty adopted on December 20, 1996, and/or similar international agreements.
- E. **Exceptions and Limitations** means fair use, fair dealing, and/or any other exception or limitation to Copyright and Similar Rights that applies to Your use of the Licensed Material.
- F. **Licensed Material** means the artistic or literary work, database, or other material to which the Licensor applied this License.
- G. **Licensed Rights** means the rights granted to You subject to the terms and conditions of this License, which are limited to all Copyright and Similar Rights that apply to Your use of the Licensed Material and that the Licensor has authority to license.

- H. **Licensor** means the individual(s) or entity(ies) granting rights under this License.
- I. **NonCommercial** means not primarily intended for or directed towards commercial advantage or monetary compensation. For purposes of this License, the exchange of the Licensed Material for other material subject to Copyright and Similar Rights by digital file-sharing or similar means is NonCommercial provided there is no payment of monetary compensation in connection with the exchange.
- J. **Commercial** means in the context of any activity that involves paying a price, typically by a third party, whether through monetary value, work exchange, bartering or similar exchanges practices.
- K. **Share** means to provide material to the public by any means or process that requires permission under the Licensed Rights, such as reproduction, public display, public performance, distribution, dissemination, communication, or importation, and to make material available to the public including in ways that members of the public may access the material from a place and at a time individually chosen by them.
- L. **Sui Generis Database Rights** means rights other than copyright resulting from Directive 96/9/EC of the European Parliament and of the Council of 11 March 1996 on the legal protection of databases, as amended and/or succeeded, as well as other essentially equivalent rights anywhere in the world.
- M. **You** means the individual or entity exercising the Licensed Rights under this License. **Your** has a corresponding meaning.

Section 2 – Scope

A. License grant.

- a. Subject to the terms and conditions of this License, the Licensor hereby grants You a worldwide, royalty-free, non-sublicensable, non-exclusive, irrevocable license to exercise the Licensed Rights in the Licensed Material to:
 - i. consult, visualize, copy and include the Licensed Material, in whole or in part, for Commercial or NonCommercial purposes only; and
 - ii. insert, complete, arrange the Licensed Material, with other Material from various sources to analyze, and create visualizations, in whole or in part, for Commercial or NonCommercial purposes only; and

- iii. extract the Licence Materials to use personally on a physical support, in whole or in part, for Commercial or NonCommercial purposes only.
- b. Exceptions and Limitations. For the avoidance of doubt, where Exceptions and Limitations apply to Your use, this License does not apply, and You do not need to comply with its terms and conditions.
- c. Term. The term of this License is specified in Section 6A.
- d. Media and formats; technical modifications allowed. The Licensor authorizes You to exercise the Licensed Rights in all media and formats, whether now known or hereafter created, and to make technical modifications necessary to do so. The Licensor waives and/or agrees not to assert any right or authority to forbid You from making technical modifications necessary to exercise the Licensed Rights, including technical modifications necessary to circumvent Effective Technological Measures. For purposes of this License, simply making modifications authorized by this Section 2Ad never produces Adapted Material.
- e. No endorsement. Nothing in this License constitutes or may be construed as permission to assert or imply that You are, or that Your use of the Licensed Material is, connected with, or sponsored, endorsed, or granted official status by, the Licensor or others designated to receive attribution as provided in Section 3Aa1.

B. Guarantees.

- a. The Licensor guarantees that the copyright associated with the Licensed Material will be respected. If the Licensed Material is so protected, the Licensor guarantees the originality of the work as well as the ownership of the transferred copyright.
- b. The Licensor guarantees in a broader sense that the Licensor has the rights necessary to permit You to use the Licensed Material.

C. Other rights.

- a. Moral rights, such as the right of integrity, are not licensed under this License, nor are publicity, privacy, and/or other similar personality rights; however, to the extent possible, the Licensor waives and/or agrees not to assert any such rights held by the Licensor to the limited extent necessary to allow You to exercise the Licensed Rights, but not otherwise.
- b. Patent and trademark rights are not licensed under this License.
- c. To the extent possible, the Licensor waives any right to collect royalties from You for the exercise of the Licensed Rights, whether directly or through a collecting society under any voluntary or waivable statutory

or compulsory licensing scheme. In all other cases, the Licensor expressly reserves any right to collect such royalties, including when the Licensed Material is used other than for Commercial or NonCommercial purposes.

Section 3 – License Conditions.

Your exercise of the Licensed Rights is expressly made subject to the following conditions.

A. Attribution.

- a. If You Share the Licensed Material (including in modified form), You must:
 - i. retain the following if it is supplied by the Licensor with the Licensed Material:
 1. identification of the creator(s) of the Licensed Material and any others designated to receive attribution, in any reasonable manner requested by the Licensor (including by pseudonym if designated);
 2. a copyright notice;
 3. a notice that refers to this License;
 4. a notice that refers to the disclaimer of warranties;
 5. a URI or hyperlink to the Licensed Material to the extent reasonably practicable;
 - ii. indicate if You modified the Licensed Material and retain an indication of any previous modifications; and
 - iii. indicate the Licensed Material is licensed under this License, and include the text of, or the URI or hyperlink to, this License.
- b. You may satisfy the conditions in Section 3Aa in any reasonable manner based on the medium, means, and context in which You Share the Licensed Material. For example, it may be reasonable to satisfy the conditions by providing a URI or hyperlink to a resource that includes the required information.
- c. If requested by the Licensor, You must remove any of the information required by Section 3Aai to the extent reasonably practicable.
- d. If You Share Adapted Material You produce, the Adapter's License You apply must not prevent recipients of the Adapted Material from complying with this Public License.

- ### B. Restriction of diffusion. You may under no circumstances redistribute the Licensed Material and make it accessible to a third party without the express consent of the Licensor, via any means whatsoever, including physical or

dematerialized, e.g. digital; this includes in particular the interdiction to include the Licensed Material into any Adapted Material openly accessible to the public.

Section 4 – Sui Generis Database Rights.

Where the Licensed Rights include Sui Generis Database Rights that apply to Your use of the Licensed Material:

- A. for the avoidance of doubt, Section 2Aa grants You the right to extract, reuse and reproduce all or a substantial portion of the contents of the database for Commercial or NonCommercial purposes only;
- B. if You include all or a substantial portion of the database contents in a database in which You have Sui Generis Database Rights, then the database in which You have Sui Generis Database Rights (but not its individual contents) is Adapted Material; and
- C. You must comply with the conditions in Section 3A if You Share all or a substantial portion of the contents of the database.

For the avoidance of doubt, this Section 4 supplements and does not replace Your obligations under this License where the Licensed Rights include other Copyright and Similar Rights.

Section 5 – Disclaimer of Warranties and Limitation of Liability.

- A. Unless otherwise separately undertaken by the Licensor, to the extent possible, the Licensor offers the Licensed Material as-is and as-available, and makes no representations or warranties of any kind concerning the Licensed Material, whether express, implied, statutory, or other. This includes, without limitation, warranties of title, merchantability, fitness for a particular purpose, non-infringement, absence of latent or other defects, accuracy, or the presence or absence of errors, whether or not known or discoverable. Where disclaimers of warranties are not allowed in full or in part, this disclaimer may not apply to You.**
- B. To the extent possible, in no event will the Licensor be liable to You on any legal theory (including, without limitation, negligence) or otherwise for any direct, special, indirect, incidental, consequential, punitive, exemplary, or other losses, costs, expenses, or damages arising out of this License or use of the Licensed Material, even if the Licensor has been advised of the possibility of such losses, costs, expenses, or**

damages. Where a limitation of liability is not allowed in full or in part, this limitation may not apply to You.

- C. The disclaimer of warranties and limitation of liability provided above shall be interpreted in a manner that, to the extent possible, most closely approximates an absolute disclaimer and waiver of all liability.

Section 6 – Term and Termination.

- A. This License applies for the term of the Copyright and Similar Rights licensed here. However, if You fail to comply with this License, then Your rights under this License terminate automatically.
- B. Where Your right to use the Licensed Material has terminated under Section 6A, it reinstates:
 - a. automatically as of the date the violation is cured, provided it is cured within 30 days of Your discovery of the violation; or
 - b. upon express reinstatement by the Licensor.

For the avoidance of doubt, this Section 6B does not affect any right the Licensor may have to seek remedies for Your violations of this License.

- C. For the avoidance of doubt, the Licensor may also offer the Licensed Material under separate terms or conditions or stop distributing the Licensed Material at any time; however, doing so will not terminate this License for the Licensed Material already in your possession.
- D. For the avoidance of doubt, this License does not create an obligation for the Licensor to maintain the availability of the Licensed Material to You at any point in time, now or in the future.
- E. Sections 1, 5, 6, 7, and 8 survive termination of this License.

Section 7 – Other Terms and Conditions.

- A. The Licensor shall not be bound by any additional or different terms or conditions communicated by You unless expressly agreed.
- B. Any arrangements, understandings, or agreements regarding the Licensed Material not stated herein are separate from and independent of the terms and conditions of this License.
- C. In case of a dispute, the You and the Licensor commit themselves to engage in real and sincere negotiations to work out a possible settlement before taking any legal action.

Section 8 – Interpretation.

- A. For the avoidance of doubt, this License does not, and shall not be interpreted to, reduce, limit, restrict, or impose conditions on any use of the Licensed Material that could lawfully be made without permission under this License.
- B. To the extent possible, if any provision of this License is deemed unenforceable, it shall be automatically reformed to the minimum extent necessary to make it enforceable. If the provision cannot be reformed, it shall be severed from this License without affecting the enforceability of the remaining terms and conditions.
- C. No term or condition of this License will be waived and no failure to comply consented to unless expressly agreed to by the Licensor.
- D. Nothing in this License constitutes or may be interpreted as a limitation upon, or waiver of, any privileges and immunities that apply to the Licensor or You, including from the legal processes of any jurisdiction or authority.
